Privacy policy for a1articles

Here at A1 Articles, we make a promise to all of our authors to respect their privacy and promises to notify all authors regarding:

- * Which personal information of yours or third party personal information is collected from you through the site

- * The organization which is collecting your information

- * How we use the said information

- * With whom the collected information will be shared with

- * What choices are available to you regarding collection, use and distribution of your information

- * Which security procedures are in place in order to eliminate the potential loss, misuse or alteration of your information under 'Submit Articles' or 'Find Free Articles'

- * How you can amend any information inaccuracies

If you feel that our site is not abiding by our privacy policy in any way whatsoever, please email us via editorial@a1articles.com

Users' Consent:

By accessing A1 Articles or any other site associated with A1 Articles, you are providing your consent to the collection and usage of your information which is described in full below. We reserve the right to change our privacy policy at any time and will notify authors and visitors of these changes via this page.

Information, Collection and Use:

Submit articles or find free articles are the sole owner of the information which is collected on A1 Articles. We will not sell, share or rent this information to any third parties, and your information will only be used for the reasons stipulated on this page. Submit articles or find free articles collects information from our users at several different points throughout the site, and articles submitted on to the site may be published on to other sites within our network.

Cookies:

A 'cookie' refers to a piece of data which is stored on a users' hard drive. This is in no way linked to any personally identifiable information of yours and by accessing the site, we cannot find any information regarding yourself, thus meaning no information can be read by any third parties either. Once your session on the site is finished and your browser is closed, the cookie will finish and no information will have been recorded.

Log Files:

When a user visits our site, the system will keep a track record of that particular IP address. This is used primarily to analyze trends of visitors in terms of unique and frequent visitors; administer the site and gather broad demographic information for aggregate use. IP addresses are not linked in anyway to any personal information.

Additional Links:

Within A1 Articles, you will notice advertisements and links to other sites. A1 Articles are not responsible for any of the private practices which these companies embark in, and cannot be held responsible for any issues that may arise when leaving our site to visit a site found on A1 Articles. We encourage our users to be aware of the dangers of unknown links and to read to the privacy statements of other sites which collect personally identifiable information like ours. Please note that this privacy policy refers only to A1 Articles and not any other sites.
